INTRODUCTION

Manual Purposes

This manual aims to provide users with comprehensive and detailed guide on how to use the medical certificates platform for seafarers. Through this document, the goal is to ensure that all users, regardless of their technical experience, can navigate and use the platform efficiently and effectively.

Platform Objectives

The medical certificates platform for seafarers is designed to facilitate the management, creation and storage of medical certificates, thereby ensuring that seafarers comply with health regulations and standards. The main objectives of the platform include:

- **Efficiency:** Optimize the emission process and validation of medical certificates.
- **Accessibility:** Provide secure and easy access to medical certificates to anywhere in the world.
- **Security** Ensure that medical information is handled with the highest standards of confidentiality and security.
- **Compliance:** Ensure that all certificates comply with the current regulations.

Brief description of the platform

The platform is an innovative digital tool that allows the evaluator of accreditations to comprehensively examine seafarer's medical certificates. Through an intuitive and accessible interface, users can:

-
- Consult and verify the validity of the certificates.

However, the platform has advanced functionalities such as expiration alerts, detailed report and support in multiple languages, ensuring a friendly and efficient user experience.

FEATURES

Role: Verification

Below are some of the platform's features, with the Verification role:

Login

→ Access to the platform:

A screenshot of the Seafarer Certs login interface. At the top, there is the Seafarer Certs logo and the text "Seafarer Certs". Below this is the heading "LOG IN TO YOUR ACCOUNT" and the sub-heading "SEAFARER CERTS". There are two input fields: the first is for an email address, containing "verification@seafarercerts.com", and the second is for a password, containing "Password". Below the password field is a link for "Forgot password?". A large blue button labeled "LOG IN" is positioned below the input fields. At the bottom of the form, the website URL "www.eevolutioncorp.com" is displayed.

1. **Log In:** Login on the platform with a Verification role account and the main menu will be displayed with its various options.

Verify

With the **Verify** option, you can verify each medical certificate

Out of Database

After entering the certificate data for verification, if a screen appears showing "**invalid information**," this means that the certificate does not exist in our database or has incorrect information.

The screenshot shows the 'Verify' section of the Seafarer Certs application. The page title is 'Verification of certificate'. The form contains three input fields: 'Certificate Code' with the value 'EEC-0001234-2025', 'Patient passport' with the value '3654782', and 'Patient name' with the value 'Paul'. Below the fields, there is a red error message 'Invalid information' with a small 'x' icon above it. A blue 'VALIDATE' button is positioned below the error message. At the bottom of the form, there is a small footer: 'Seafarer Certs | Terms and conditions' and 'Service provider authorized by The Panama Maritime Authority under the Resolution No. DGGM-PM-003-2025'. The top right of the page shows the user name 'Anita' and a navigation icon.
